### It's Time to Exercise Your Options.

Executive seminars... Team building... Off-sites... Sales meetings... Conferences... Employee appreciation programs... Award dinners... When it comes to business events, the right venue can be crucial to the outcome.

So why settle for an anonymous hotel meeting room or a been-there-done-that conference center? Especially when you could just as easily get down to business on the Infinity, our newest luxury yacht—custom-designed and fully equipped for corporate events.

#### **DISTINCTLY UNIQUE, COMPLETELY CUSTOMIZED**

Whatever the agenda, our professional event planners will help you create the ideal setting for success. We can meet all of your special equipment needs, from satellite radio and direct TV to plasma screens and LCD projectors. And with a gourmet galley on board and a team of executive chefs on call, we can also help you design a custom menu—with or without tableside service—to create a five-star dining experience for everyone on board.
