**“my choice”**

**It's time to choose a college.**

**Time to decide on a direction for your future.**

**You've read a lot of brochures.**

**Surfed a lot of web sites.**

**Listened to a lot of advice, most of it from people twice your age.**

**You've got plenty of options.**

**So what makes Eastern Michigan your best choice?**

**To answer that, turn to the real experts.**

**The people who were in your place one or two or three years ago.**

**The students who decided that Eastern was their choice...**

**and their direction.**

[www.emich.edu/go-to-enu](http://www.emich.edu/go-to-enu)

**“my academics”**

Eastern Michigan is a university with a long tradition of educational excellence. A university that values undergraduates. And a university that will not only prepare you for a successful career... but will give you the skills you need to be a lifelong learner and leader.

And here's something else you should know. Undergraduate teaching is a priority for EMU faculty. While we do have 23,000 students, we take good care of all of them. Our student-to-faculty ratio is an impressive 19:1. So, unlike undergrads at some large, impersonal universities, you won't find yourself being herded into huge lecture halls and taught by graduate students or teaching assistants. Instead, you'll be in direct, day-to-day contact with faculty. And that, after all, is the best way to learn.

**“The single most important thing you need to know about Eastern is that it's a great place to learn.”**

A 2006 Best  
Midwestern College by  
The Princeton Review.

**“At Eastern,  
learning doesn’t  
stop at the  
classroom door.”**

**“my opportunities”**

If you’re looking for a rigorous hands-on learning experience, consider an undergraduate research assistantship, supervised by faculty and funded by the university. EMU also has the nation’s longest-running undergraduate research symposium.

Our study abroad programs are incredibly diverse. Explore the world through our unique spring and summer travel-study programs. Spend a semester—or a year—at an outstanding university in Canada, Mexico, the Netherlands, England, France, Germany, Sweden, Australia, or Japan. Immerse yourself in an intensive language program in Mexico, France or Germany. Head to the Galapagos Islands to learn more about biology and environmental science. Participate in a Cultural History Tour. Or enroll in a Special Focus Program abroad.

For students with exceptionally strong academic records, there’s the Honors College at Eastern Michigan University. This select learning community offers challenging interdisciplinary studies, mentoring, group and independent research, community service programs, and study abroad opportunities as well as special on-campus housing, early registration, and other benefits.

“my money”

**“What will all this cost you? About the same as many other public universities and private colleges. And in some cases, considerably less.”**

Michigan and Ohio residents can expect to pay approximately \$15,700 a year for tuition and fees, lodging, food, books and supplies. For students outside Michigan and Ohio, that number rises to about \$27,700.

In-state or out-of-state, EMU: an incredible value. That may explain why EMU was named Best Value for Your Tuition Dollar in the 2006 edition of *The Official Unbiased Guide to the 328 Most Interesting Colleges* by Kaplan Publishing.

To help offset the cost of education, Eastern Michigan also offers a variety of scholarships.

Each year, 16 incoming freshmen qualify for 4-year, full-ride Presidential Scholarships of approximately \$60,000 each. In addition, EMU offers hundreds of:

- Regents' Recognition of Excellence Scholarships
- Regents' Gold Scholarships
- Eagle Scholarships
- National Scholarships

In all, EMU awards more than \$140 million in financial aid each year—\$18 million of it in the form of scholarships.

For more information, go to [www.emich.edu/go-to-emu](http://www.emich.edu/go-to-emu)

[www.emich.edu/go-to-emu](http://www.emich.edu/go-to-emu)

“my life”

Because the transition from high school to college can be challenging, EMU offers special services and programs for freshmen. The First Year Center, which comprises 4 of our 11 residence halls, provides academic support and other resources to help new students make a smooth transition to college life.

In addition, our Academic Enhancement Program offers study skills workshops and a supervised evening study center.

Commuting brings its own set of challenges, especially for first-year students. Fortunately, our Commuter Central Office has a long list

of resources designed with off-campus students in mind. That includes a newsletter, workshops, seminars, and coffee breaks, plus a centrally located lounge where commuters can study, work online or just hang out and relax.

EMU's stunning new student center is truly world-class. You have got to see this place. It is a gathering spot for the entire University community, with an incredible variety of things to do, including coffee shops, food court, theater, bookstore, fireplace lounges, computer labs, gameroom, events facilities, meditation room, and more, all in a gorgeous

architectural setting. And it makes our services to commuter and residential students better than they have ever been.

**"You won't be just another face in the crowd. EMU is known for its friendly campus and welcoming atmosphere. Our faculty really care about their students. And staff members go out of their way to help out as part of the educational community here."**

“my fun”

Whatever your interest, there's a group for you—nearly 200 on-campus academic clubs, student organizations, fraternities and sororities in all. If community service is your passion, consider Alternative Spring Break and VISION—a program that links students with volunteer opportunities.

Interested in athletics? As a Division I school, Eastern competes with Western Michigan, Central Michigan, University of Toledo, Kent State, Bowling Green and other Mid-American Conference universities. In all, EMU fields 21 varsity sports teams for men and women, including

football, basketball, baseball, golf, wrestling, track and cross country, swimming, diving, crew, gymnastics, softball, volleyball, and soccer.

If club sports are more in your line, you'll find everything from ice hockey, lacrosse and kayaking to volleyball, gymnastics, tennis, roller hockey, dance, and softball to name a few.

Eastern's campus is a magnet for cultural events, including music, dance, theatre, national and international entertainment, and more. There's a lot happening in our community of Ypsilanti, one of Michigan's "Cool Cities." And if

you want even more, we are less than 10 miles west of Ann Arbor—another "Cool City"—where you can enjoy a non-stop schedule of concerts, films, festivals, and live theater.

**“On this campus, boredom will be the furthest thing from your mind.”**

“my future”

**Campus Tours**

Daily tours year-round:  
Monday through Friday – 10 a.m. and 2 p.m.  
Saturday tours:  
10 a.m. – September through May

**Eastern Fridays**

Every Friday at 10 a.m. during the fall and winter semester, these events include a 90-minute walking tour, complimentary lunch and on-site admissions decision (with a completed EMU application and, in a sealed envelope, official transcripts and test scores).

**Explore Eastern**

EMU’s Saturday open houses—one in the fall, one in the winter—combine tours, an academic fair, housing information, financial aid workshops, a meet-and-greet faculty event, special parent sessions, on-site admissions decisions, and more.

Schedule a tour today by calling: 800.GO-TO-EMU or visit us on the web 24/7 at [www.emich.edu/go-to-emu](http://www.emich.edu/go-to-emu)

**“The best way to find out if Eastern is the right choice for you is to visit campus. Talk with students and faculty. Check out the learning facilities. Spend time in the student center. Stop in at the residence halls. See how it all looks. And feels.”**

“my decision”

The best time to apply is during the fall of your senior year of high school. However, with our rolling admissions policy, you can submit an application at any time and receive a prompt decision.

**How:**

1. Complete our online application
2. Ask your high school to send an official copy of your transcript to the EMU Admissions Office.
3. Release your official ACT or SAT scores to EMU (EMU code for ACT is 1990, code for SAT is 1201)

Take a step in the right direction. Apply today.  
[www.emich.edu/admissions/apply](http://www.emich.edu/admissions/apply)

**“Ready to take the next step? It’s as easy as visiting [www.emich.edu/admissions/apply](http://www.emich.edu/admissions/apply).”**
